**THIRD PARTY SUBMISSION OF PATENTS OR PUBLICATIONS IN A PUBLISHED
APPLICATION**

Dear Sir:

Per 37 CFR 1.99, enclosed is a third party submission in a published application of
patents and publications relevant to the prosecution of the above pending published application.

The patents and publications submitted, including the date of publication, are:

- 1) U.S. Patent No. 1,200,165, entitled "Method and Apparatus for Sterilizing", issued
October 3, 1916;
- 2) U.S. Patent No. 4,761,208, entitled "Electrolytic Method and Cell for Sterilizing
Water", issued August 2, 1988;
- 3) Some slides from a presentation given at a conference held October 10-13, 2000,
attended by employees from The Procter & Gamble Company, who also received a
copy of the entire presentation;
- 4) U.S. Patent No. 6,261,464, entitled "Portable Water Disinfection system", filed May
25, 1999, issued July 17, 2001;

- 5) U.S. Patent No. 6,524,475, entitled "Portable Water Disinfection System, filed May 24, 2000, issued February 25, 2003;
- 6) U.S. Patent Application No. US 2002/0020675, entitled "Portable Water Disinfection System", filed July 16, 2001, published February 21, 2002.

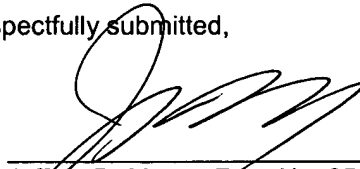

Enclosed herewith are copies of each.

A copy of these patents and publications is being served to the Applicant pursuant to 37 CFR 1.248 (see certification below).

These patents and publications could not have been submitted earlier because the undersigned had not been made aware of the above patent application publication until recently, and because the undersigned's client, Miox Corporation (the assignee of four of the above references) was not searching for applications submitted by the assignee of the above application (The Procter & Gamble Company) due to a confidentiality agreement signed between the two companies, under which Miox disclosed elements of its relevant inventions to Procter & Gamble.

Enclosed with this submission is a check in the amount of \$180, the submission fee per 37 CFR 1.17 (p), and a check in the amount of \$130 for the processing fee per 37 CFR 1.17(i) for submission after the two months from the date of publication of the above patent application. Charge any additional fees, as required, or credit any overpayment to Deposit Account No. 13-4213.

Respectfully submitted,
